EDUCATION

Bachelor of Science : Computer Science, Expected in 06/2022

McGill University - Montreal, Quebec 2018

- 3.6 GPA (out of 4.0) through 2 years
- The competitive and driven environment at McGill has pushed me to develop stronger and more resilient learning capabilities

St. George's High School - Vancouver, BC 2018

- Graduated with an academic average in the top 10% of the province
- Grade 12 Athlete of the Year
- Headmasters Leadership Award / Prefect (Gr.12)
- Kiran van Rijn Scholarship (academic) – 2018

ACCOMPLISHMENTS

- **NOBE Case Competition - Winner**: An Engineering specific case competition consisting of 20 teams of 4. We were given 3 hours to come up with a solution and pitch it in preliminary and final rounds.
- **Compete McGill Hackathon - 2nd Place**: My team competed in various events including app development, speed coding and functional programming.
- **Google Tech Games - 4th Place**: A hackathon hosted at Google's Montreal office provided challenging problems to be solved through critical thinking.
