- **Personal Portfolio:** Created a website to display all my projects and love for web-development
<https://alexference.github.io/>

PROFESSIONAL

Driven Web Developer welcoming challenging projects and enjoying working with all sorts of personalities. For more information, please see my personal portfolio: <https://alexference.github.io/>

WORK EXPERIENCE

StudyBuddy Co-Founder (05/2020 – 03/2021)

- Worked with a fellow student to develop our idea of a web application that tracks and analyzes study habits.
<https://www.studybuddyplanner.com>
- Used React.js, Redux and Sass to develop the front-end.
- Used by students at over 25 different universities across Canada and over 20000 hours of studying logged to date.

Associate Software Engineer (08/2020 – 08/2021) Katorio Software Inc. (Subsidiary of Kabam) – Vancouver BC

- Worked with product owners to translate wireframe designs into a web application with React.js and Redux focusing on performance, security and scalability. Also worked on Flutter mobile client and firebase cloud functions

Golf Services Supervisor (04/2019 - 08/2019)

Point Grey Golf Course – Vancouver BC

- Managed a team of back-shop workers to serve member in various ways.

EDUCATION
